

Technical Visit Course #8

- Connecting people by Shinkansen

Shinkansen Rolling Stock Maintenance Center (JR EAST)

One-Day Visit (Friday, November 1, 2019)

Course Outline:

Shinkansen Rolling Stock Maintenance Center is a workshop of East Japan Railway Company (JR East) about 350 km north of Tokyo, in Miyagi prefecture. It is engaged in conducting rolling stock maintenance and operational support of all Shinkansen for JR East. In this Technical Visit, we will visit the main facilities of this maintenance center, such as the bogie workshop, the assembly workshop and the car body workshop. You will ride the Tohoku Shinkansen as transportation in this visit. Please note that an additional fee for the fare of the Shinkansen will be charged.

Time Schedule:

- 09:00** Meet at the WCRR 2019 Congress Venue
- 09:45** Depart from Tokyo Station by Shinkansen train
- 12:40** Arrive at Shinkansen Rolling Stock Maintenance Center
- 15:00** Depart from Shinkansen Rolling Stock Maintenance Center
- 16:30** Depart from Sendai Station by Shinkansen train
- 18:15** Arrive at Tokyo Station and End the Visit

Cost: Extra charge of JPY 25,000 (including tax) for transportation costs

Maximum Number of Participants: 40 (minimum 20)

Lunch for Participants: Box Lunch included (served in Shinkansen train from Tokyo)

Application Deadline: September 19, 2019

[Shinkansen Rolling Stock Maintenance Center \(JR EAST\)](#)
